Sir,

Subject:- Remission of irrecoverable arrears of Rs.4837-15-11 due to the late Agricultural Bank at Saklespur by late Mr. W. Manjiah.-

---

Adverting to correspondence ending with your letter No. D. 13650/C.S. 54-27-6 dated the 26th February 1928 directing that the sale of the properties held on 12th February 1927 may be confirmed subject to certain conditions, I have the honor to state that Mr. Venkataramiah the sale purchaser of all the properties sold having paid the kandayam of all the lands for the years 1926-27 and 1927-28, he was put in possession of the properties and a sale certificate also issued. The Gutta amounts due for these two years were also recovered and credited to the loan account of the member. A statement showing the properties mortgaged for the loan obtained by Mr. Manjiah is enclosed for favour of perusal. It willbe seen therefrom that all the properties except one acre of land in Achangi village, were proceeded against and the amounts realised credited to the loan account. Portions of S.Nos. 81, 82 amd 83 of Achangi village aggregating one acre in extent were mortgaged. Boundaries of each portion in each Survey No. have not been furnished in the mortgage deed, but boundaries for the

total extent of one acre owned by Mr. Manjiah in all these three S. Nos. have been given. The Amildar, who was asked to proceed against this bit of land also reports that these lands are in the enjoyment of private persons that it is not possible to know the portions out of these S.Nos. which were mortgaged and requested to intimate the boundaries of each portion in each survey No. with reference to the registered bond filed in this office. This information could not be furnished as details required by the Amildar not to be found in the bond. Further, the old khetwar extract that Mr. Manjiah was never holding any land in these survey Nos this point is further strengthened by the fact that no mention of these bits of land is made in the registered partition deed execut in 1877 and therefore it is evident that Mr. Manjiah was never in possession of the bits of lands in all these S.Nos. and their acceptance as security for the loan was not legal. Another statement showing the amount due, amount recovered and the balance to be written off the accounts is enclosed. A sum of Rs 4837-15-11 remains uncollected and there are no means for the recovery of the same. I therefore request that sanction of Government may kindly be obtained for remitting this irrecoverable item of loan and close the accounts of this indebted member.

The connected records are enclosed.

I have the honor to be,

S i r,

Your most obedient servant,

Abdul Wahid.

Hassan District.

A loan of Rs.9,986-4-5 was granted to the late Mr. W. Manjiah for the improvement of his coffee estate through the now defunct Agricultural Bank at Saklespur. He did not fulfil the original conditions of the loan, but Government granted various concessions from time to time in the matter of repayment, to him as to the other similar debtors. Finally, in view of the fact that the estates for the improvement of which the loans had been granted had deteriorated considerably in value, and the debtors were, through no fault of their own, unable to pay the whole amount of their dues with interest Government in their order No. 6600-603/C.S. 42-22-7 dated 26-4-1924 sanctioned the entire remission of the interest accrued since the winding up of the Saklespur and Chikmagalur Agricultural Banks, the amounts so far paid as interest being credited towards the principal, and directed that the balance of the loans should be repaid within a period of six months.
